Chair Foster MOVED that Senator Stedman serve as Vice-Chair of the FY 22 Conference Committee on HB 69 and HB 71. There being NO OBJECTION, it was so ordered.

Chair Foster reviewed procedures pertaining to the conference committee. He noted that both the House and Senate budget process allowed for public testimony. That portion of the process was concluded; the conference committee would not accept further public testimony. Unless invited by the Chair, only members of the conference committee would take part in discussions or sit at the table.

Chair Foster observed that the Legislative Finance Division had been directed to prepare the "motion sheets" for use by the conference committee. The motion sheets summarized the differences between the two versions of the bills before the conference committee, were located on the Legislative Finance Division's website, and would be updated after each meeting.

Chair Foster explained that the conference committee would operate under Uniform Rule 42. All action required a majority vote from each body for adoption. A copy of Uniform Rule 42 and related legal opinions were provided in each member's packet.

Vice-Chair Stedman MOVED that all appropriations and language in the FY 22 operating budget that were identical in House and Senate versions of HB 69 and HB 71 be adopted. There being NO OBJECTION, it was so ordered.

Chair Foster observed that the committee would need limited powers to reach agreements. He requested a motion to request "limited powers" for budget items for which differences exist. He relayed he had distributed a letter for dated May 20, 2021 addressed to the Speaker of the House and the Senate President. Under limited powers, the Conference Committee could adopt any amount between zero and the higher of the House or Senate version of each item subject to conference.

Vice-Chair Stedman MOVED to ADOPT a letter requesting limited powers of free conference for budget items that were not identical. There being NO OBJECTION, it was so ordered.
